Summer Fun

Summer is a time of rest from school but for some, that may be the only thing it is a rest from. Summer may be a time for getting a job or just plain goofing off. Whatever you may do during the summer it is usually enjoyed by all.

A summer carnival and polka fest was held during the summer to support our school.

This Blue Jay is caught taking a short rest during the busy summer.

Karen Hammons, Karen Wrasman, Don Liebrecht, Kathy Youngpeter, and Annette Rode were members of the Crest Staff attending a workshop at Morehead State University in Morehead, Kentucky.

Freshman find out during orientation that learning to sing the school song is just one of the many things that is expected from a member of St. John's High School.

1 Day Preparing for 180!

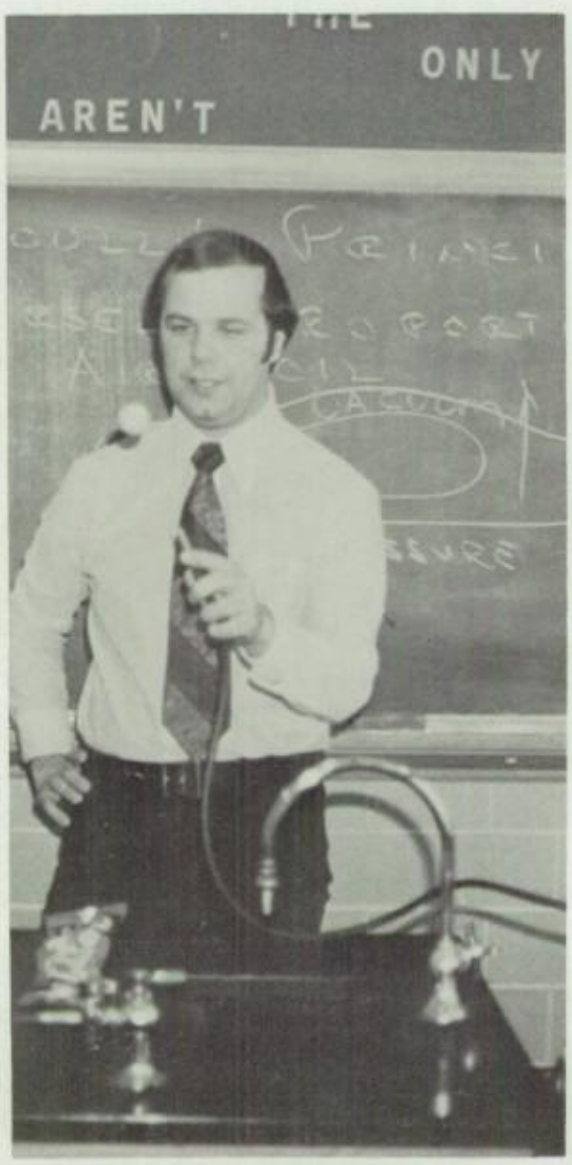
Entering into high school is a big step. Freshman orientation includes finding out what is expected of a high school student, getting their books and schedules, and getting accustomed to the rooms where they will be having classes that year.

Janet Etgen is just one of the many people helping to get school started again.

Cheryl Bridges and Mrs. Miller look as if they don't believe that a Freshman would ask a question like that.

"I have a complaint about excessive noise from Sister LaDonna."

Who in the world would give those two a ride?



??????????

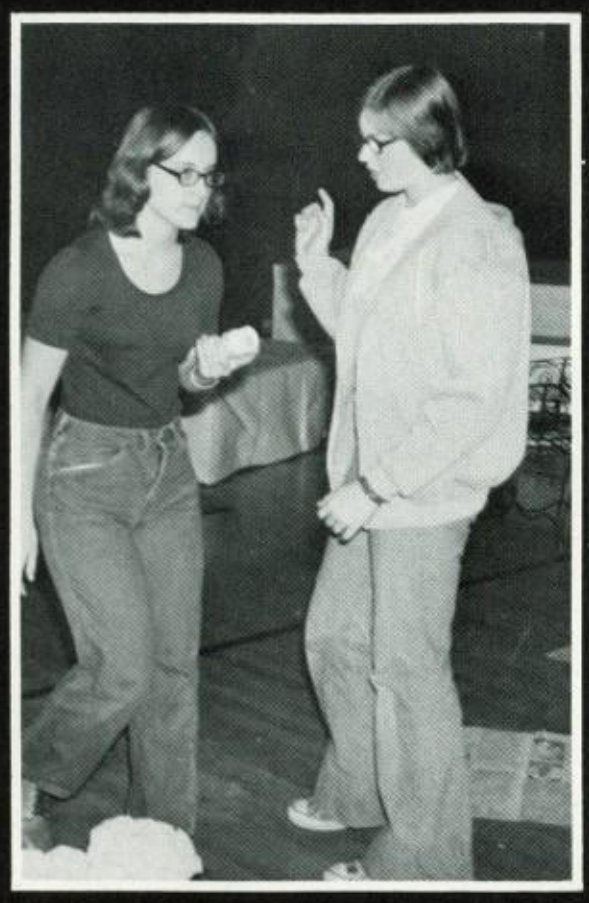
Homecoming
1974
St. John's High School
October 4 & 5

The Juniors contributed long hours of hard work and careful preparations to carry out the theme of the '74-'75 Homecoming--"Photographs and Memories."

Early Saturday afternoon, emotions soared as the court and their escorts made their final practice walk, knowing that in only a few hours their next trip will be the real thing--the night to reign as representative of all St. John's girls.

That night the gym came alive as the homecoming ceremonies continued. "Photographs and Memories" was a truly special event that will long remain in the hearts of many.

Practicing not falling down steps are Queen Deb, escort Bill Scherger, Pages, Tim Reindel and Tommy Krendl and Crown Bearer Jill Etgen.

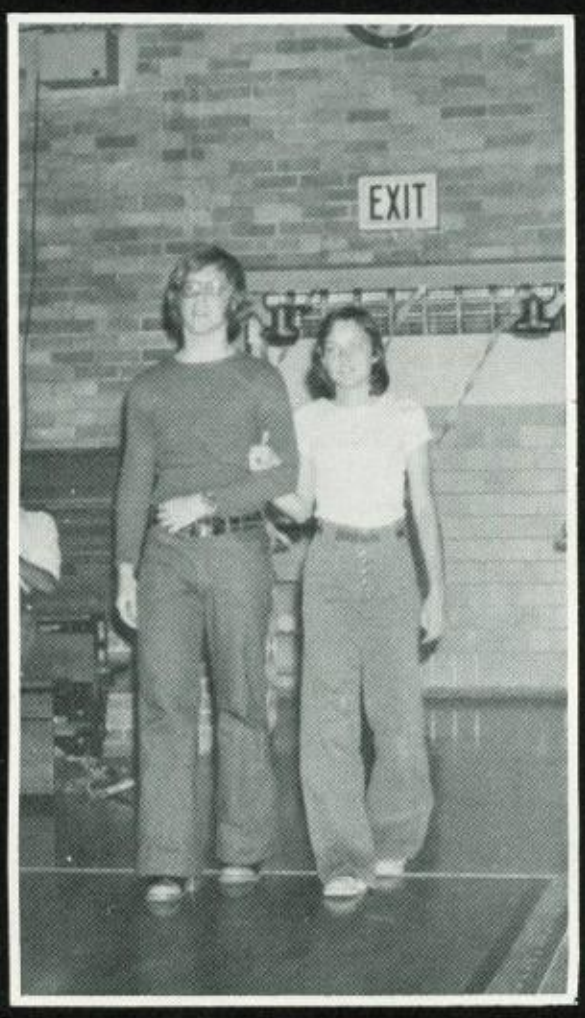


Karen Morris and Terrie Trentman are trying to decide what has to be done next.

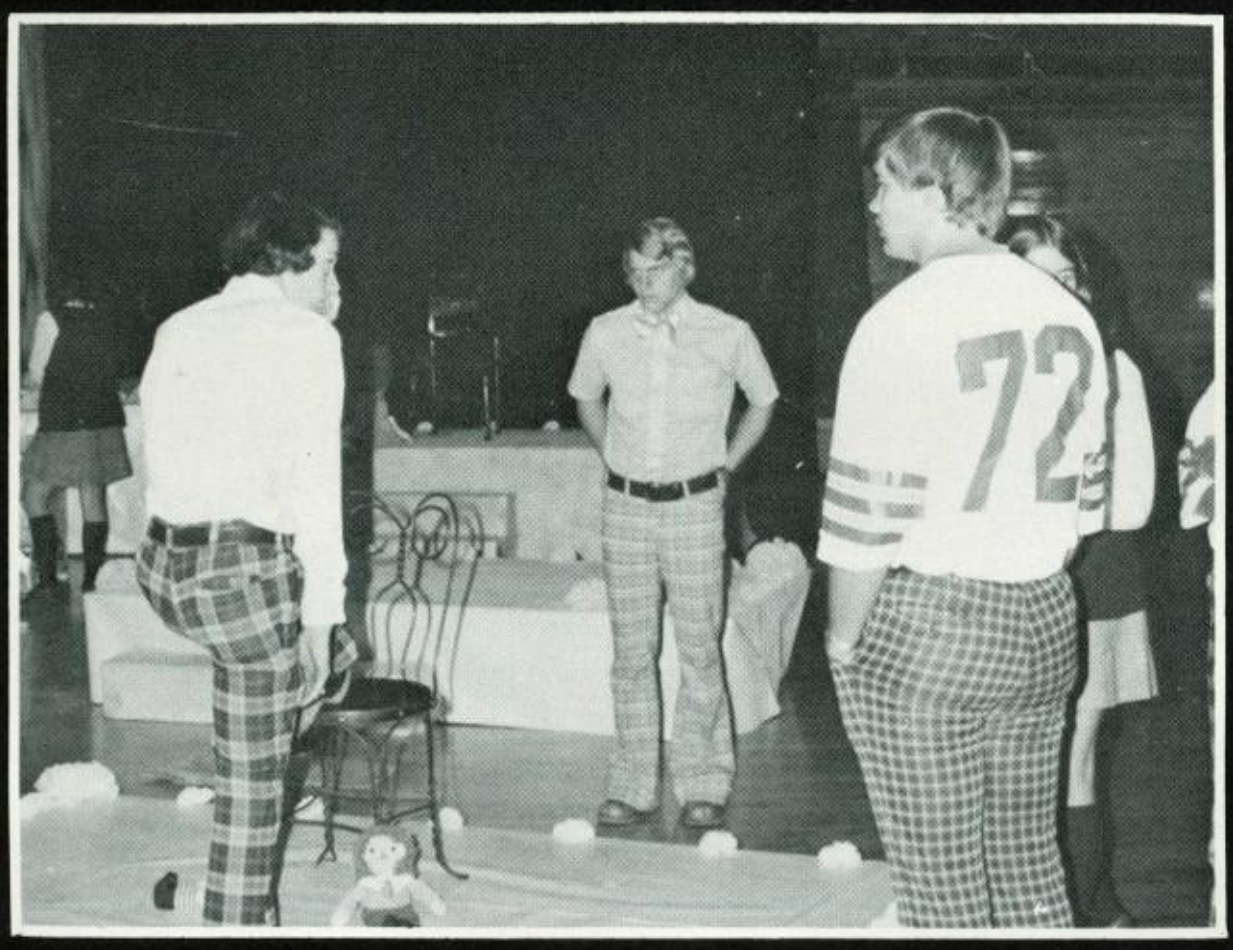
These Junior girls, during their study hall are completing the decorating of the Queen's throne.

Juniors Create Perfect Mood

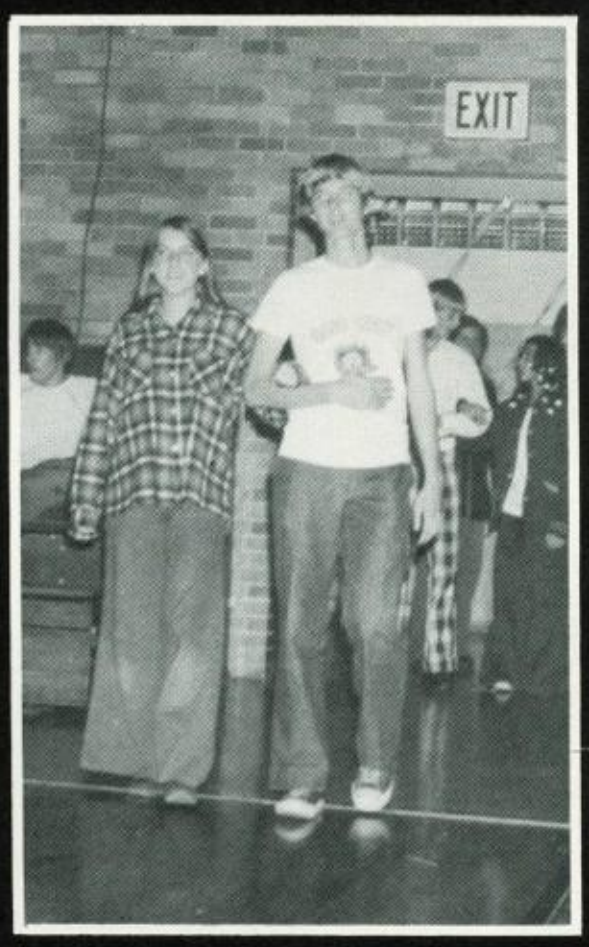
Juniors anticipate the upcoming dance.



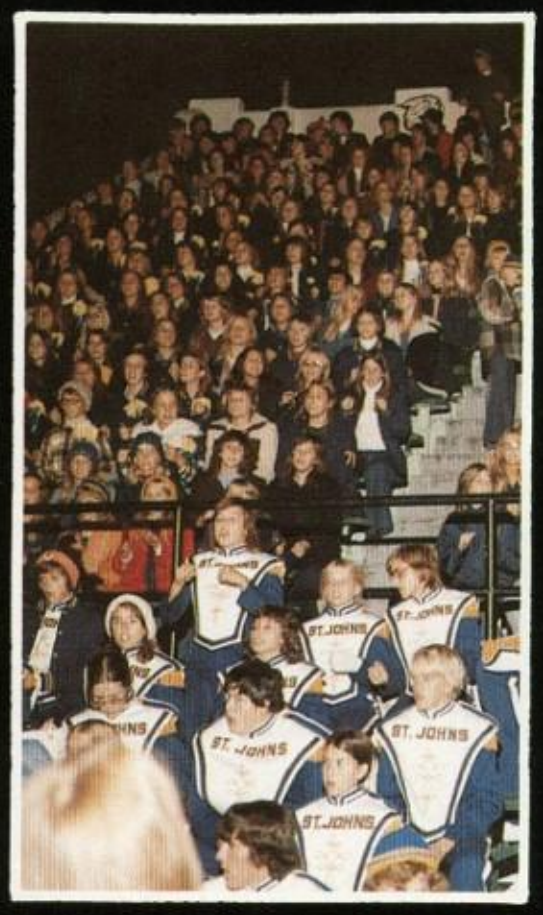
Senior attendant Judy Hemker and escort Joe Heitz practice the procession for the Homecoming Dance.



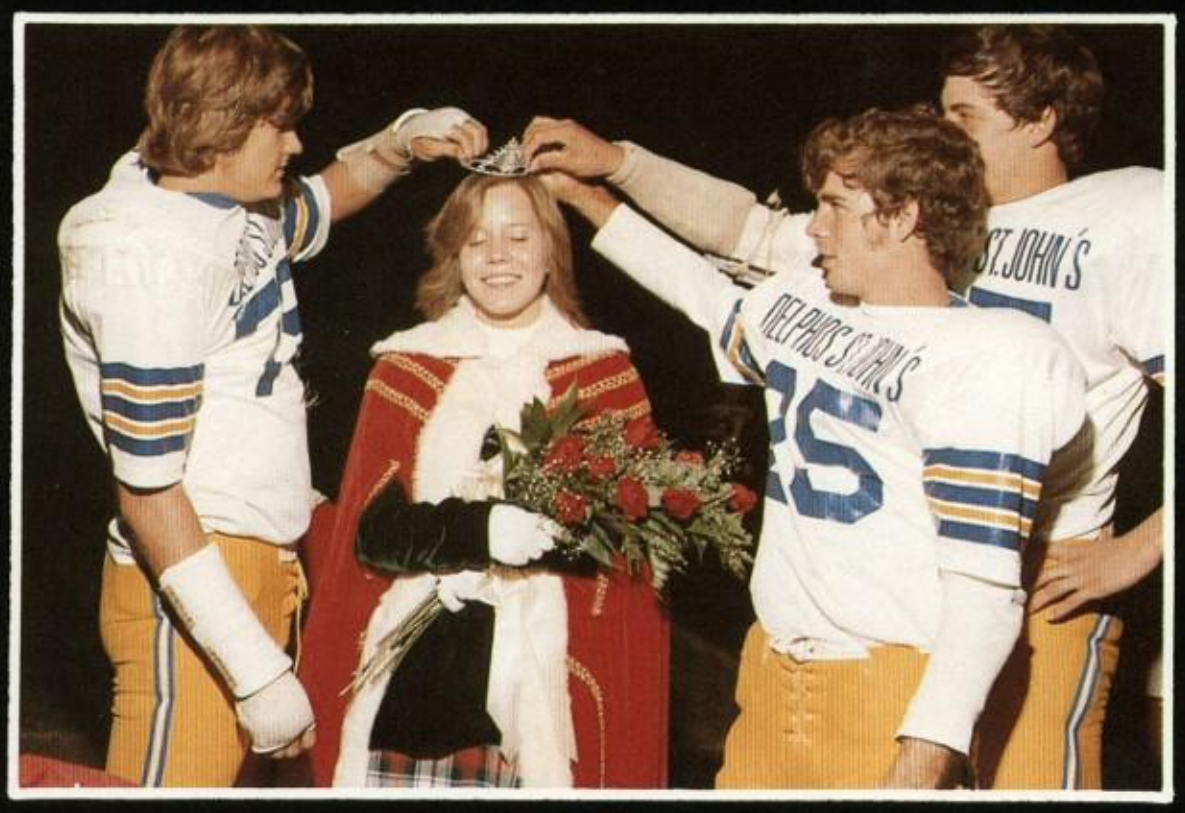
These fellows are looking over and discussing the Junior's almost finished product.



Annette Rode and Jeff Liebrecht seem to be all smiles the afternoon of Homecoming practice.



Cheering on the team, on Homecoming night, are the fans and the band.



Closing her eyes to hold back the tears of joy is Deb Plumpe as Dale Carder, Ted Hanf and Roch Wurst crown her Queen.

Getting psyched for the upcoming game is our football team.

Giving her speech before the game is Queen Deb Plumpe.

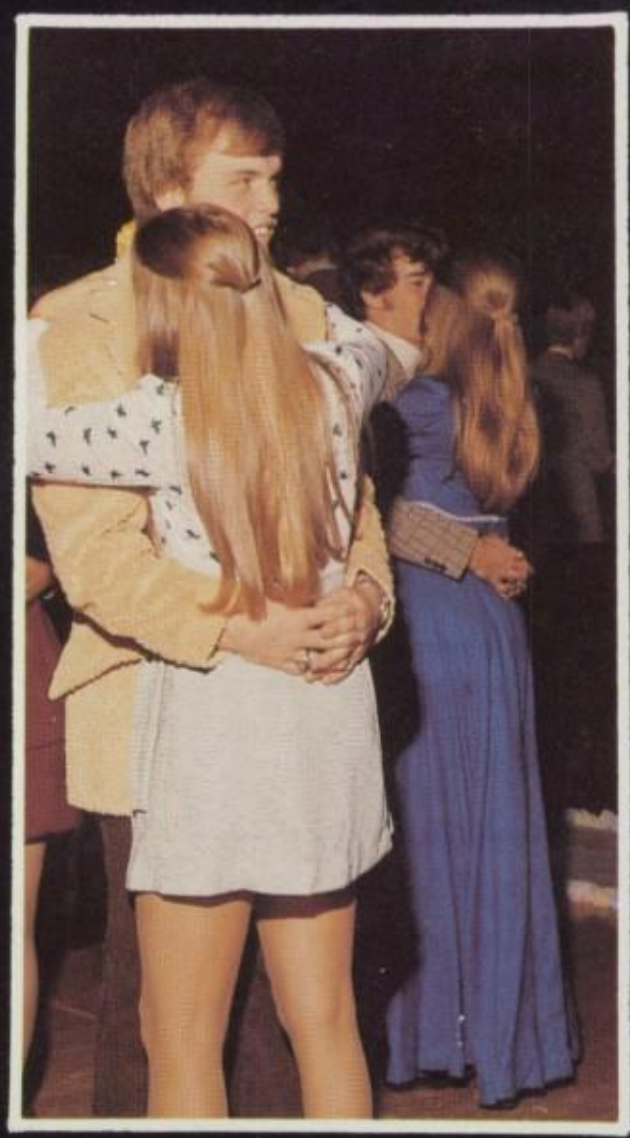
The Homecoming Court: L-R, Sophomore Carole Kundert, Junior Lisa Schlagbaum, Senior Judy Hemker, Queen Deb Plumpe, Senior Lisa Bryan, Junior Annette Rode, Sophomore Marilyn Ditto, Pages Tim Peingel, Tommy Krendl and Crown Bearer Jill Etgen.

Queen Deb Honored at Game, Dance

Carole Kundert and Mike German enjoy dancing during the Homecoming Dance.

Queen Deb, her court and escorts delight in the music as they lead everyone in the first dance.

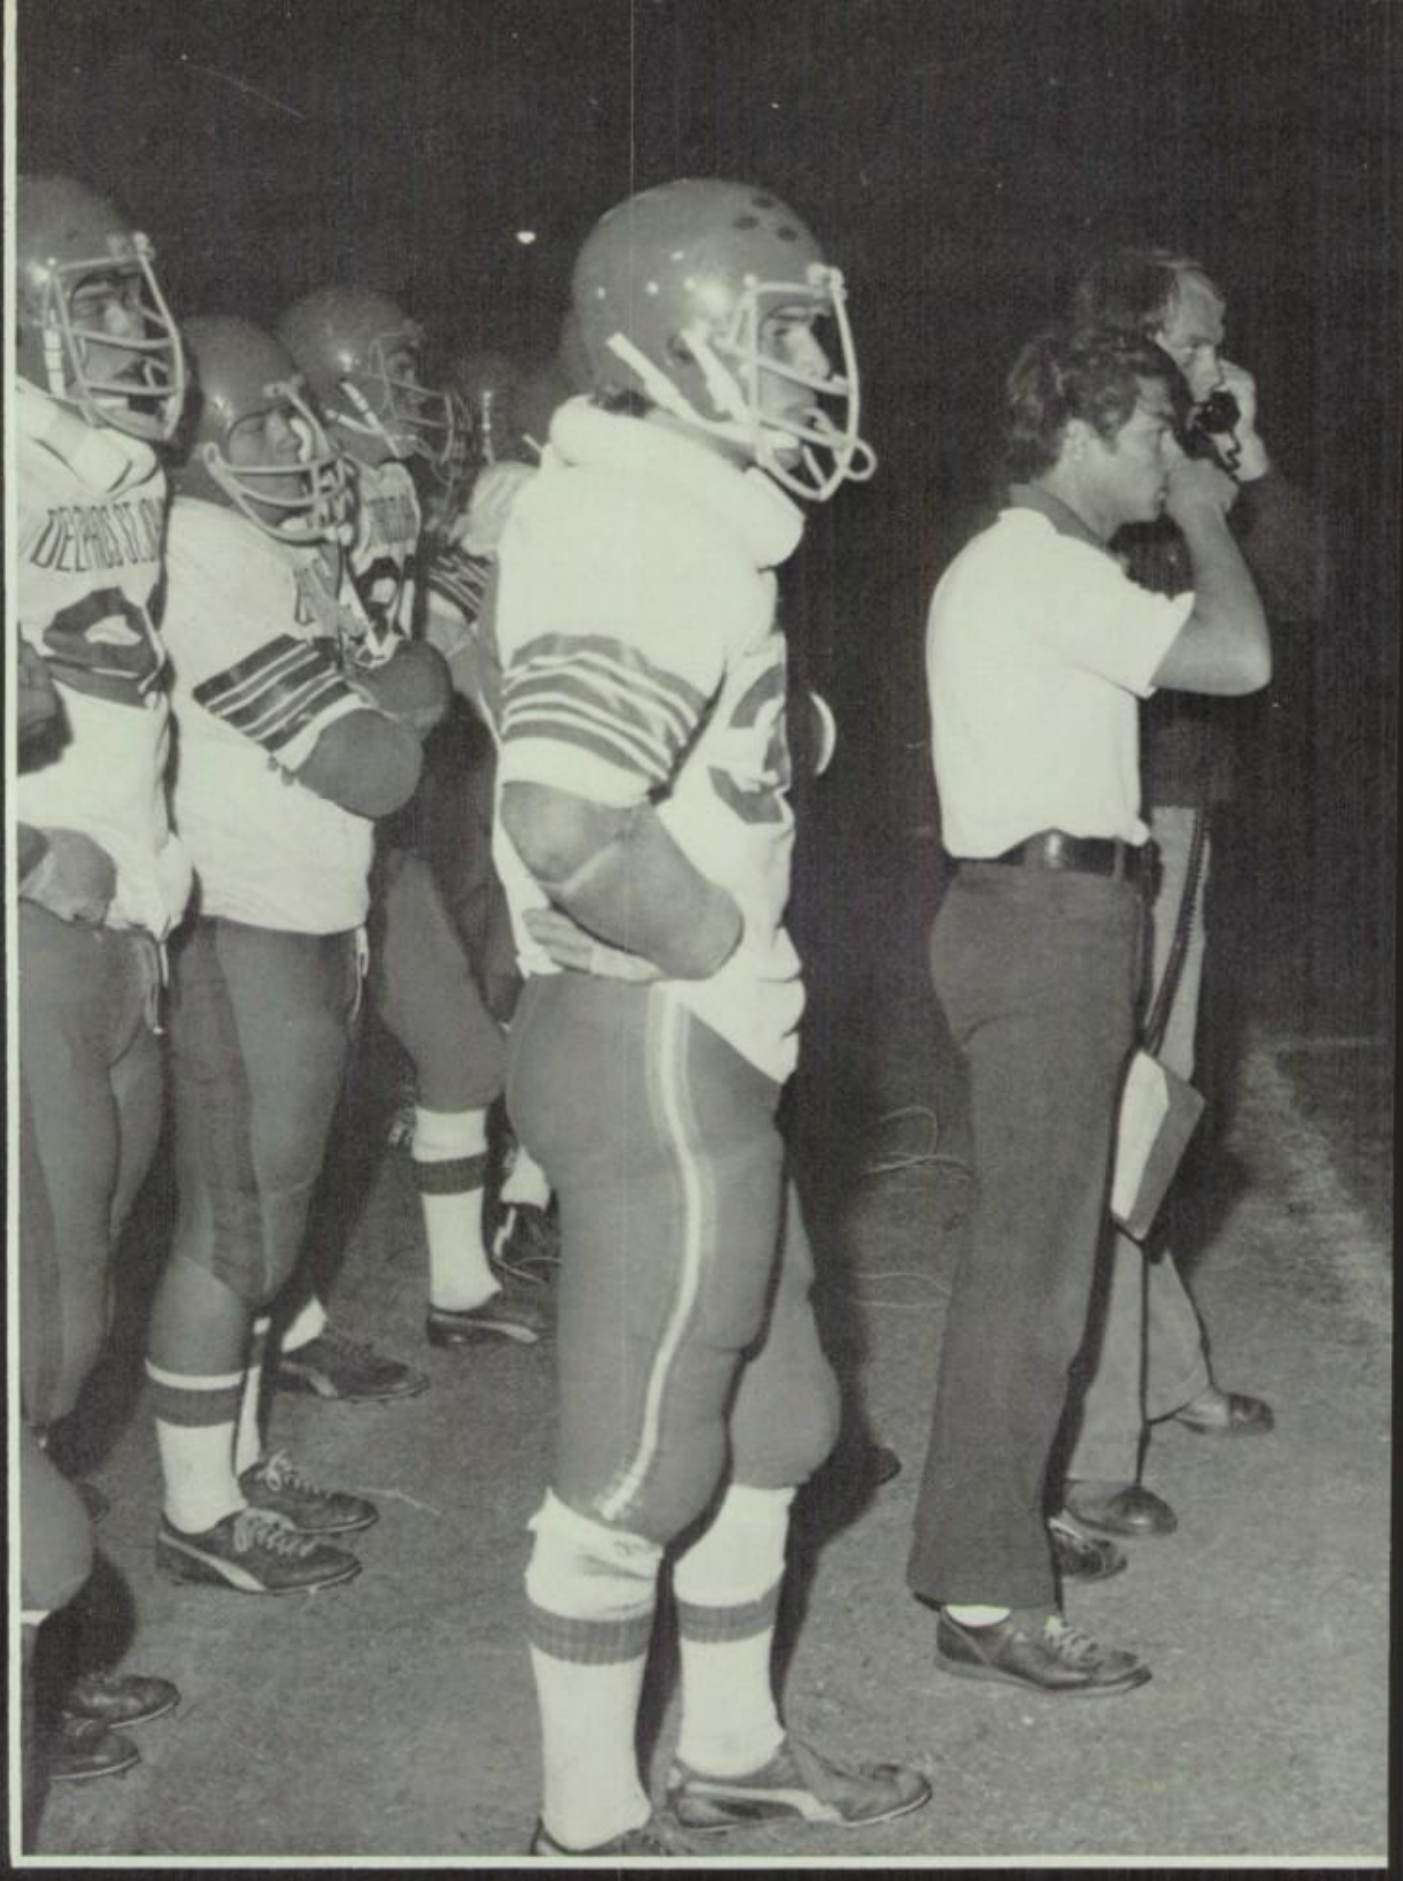
Deb Plumpe reigns as Queen of the S
John's Homecoming Dance.



Sharon Bonifas and Gary Schlereth enjoy and keep in time with the music.

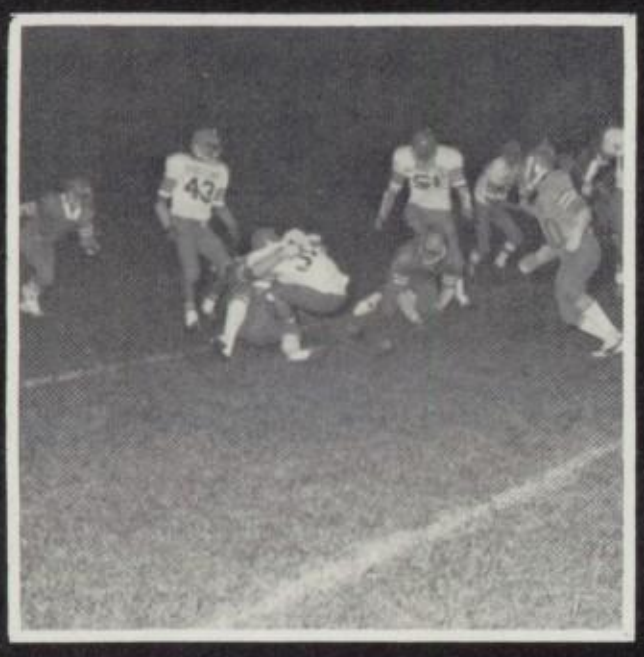
Roch Wurst nabs one of six complete passes of the game, but he is unable to break away from a Bath defender.

Musical seniors Mary Clark and Mary Grothouse perform with the band.



Coaches Funk and Burgei ponder strategy as gridders look on.

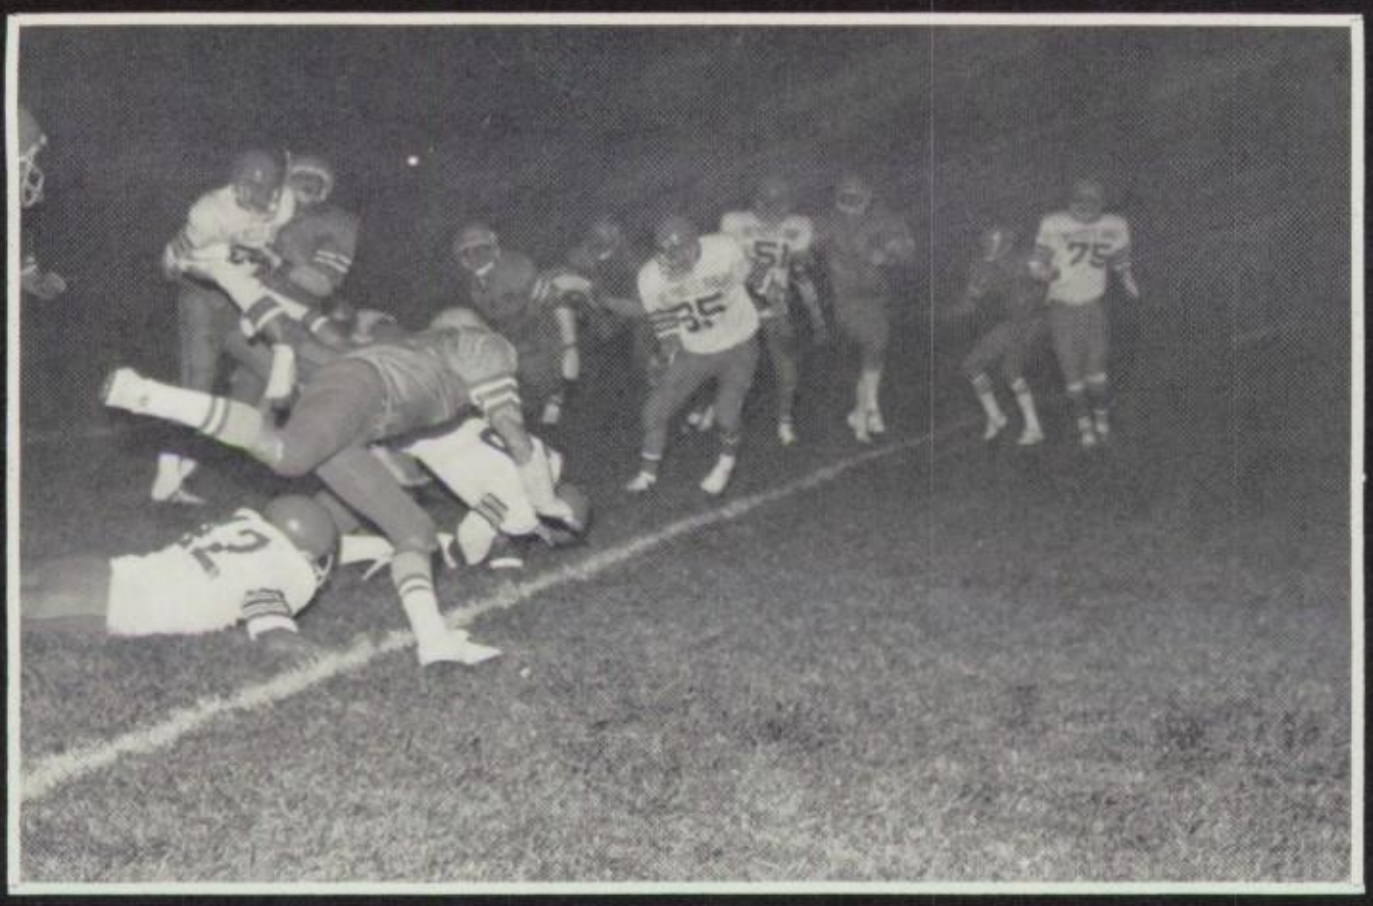
The band performs one of their many drills to entertain fans at half-time.



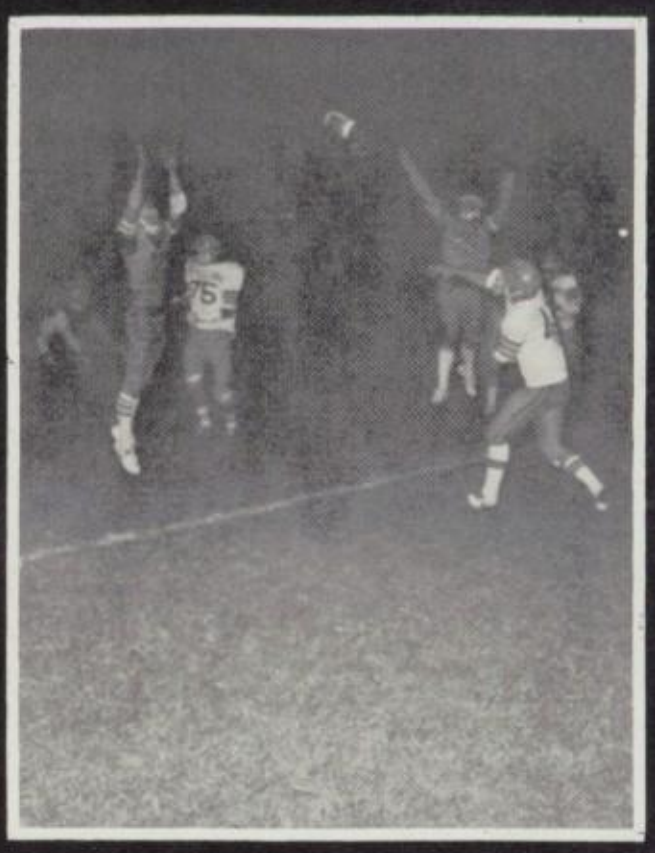
Jeff Johnson attempts to escape an Elida player's bear-hug after being caught at the line of scrimmage.

Fumbles Costly for Jays; Gridiron Men Defeated by Bath

As Queen Deb and her court looked on, the Blue Jay gridders played a spirited game but fell to WBL foe Bath 28-0. Twice the Jays assembled long offensive drives only to be stopped short by fumbles inside the 20 yard line.



A Blue Jay back makes one of two crucial fumbles.



A Blue Jay back manages to aim and fire despite the oncoming rush.

Roch Wurst demonstrates one of his specialties - punting.

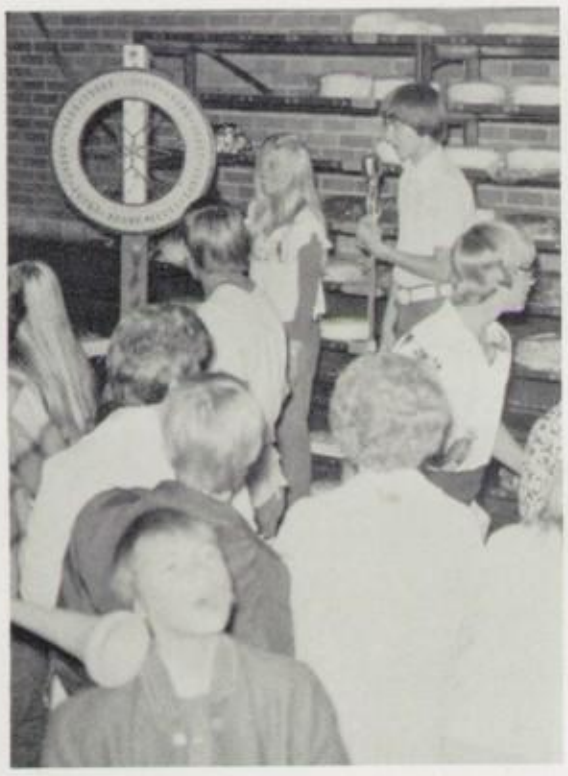
1974 Festival — Success Again

John Noonan is kept busy at the Tip Booth.

"And the number is . . ."

It looks like Sadie has found a good Bingo.

Dave Swick is waiting to see if Father Metzger is a winner.



The cake booth; under management of Sophomores was a success.

Father Metzger says, "Come on down!"

The 1974 St. John's Festival was again a success when we attained our goal of $70,000 and in fact went over that goal in reaching a smashing total of $70,840, in spite of the rising costs.

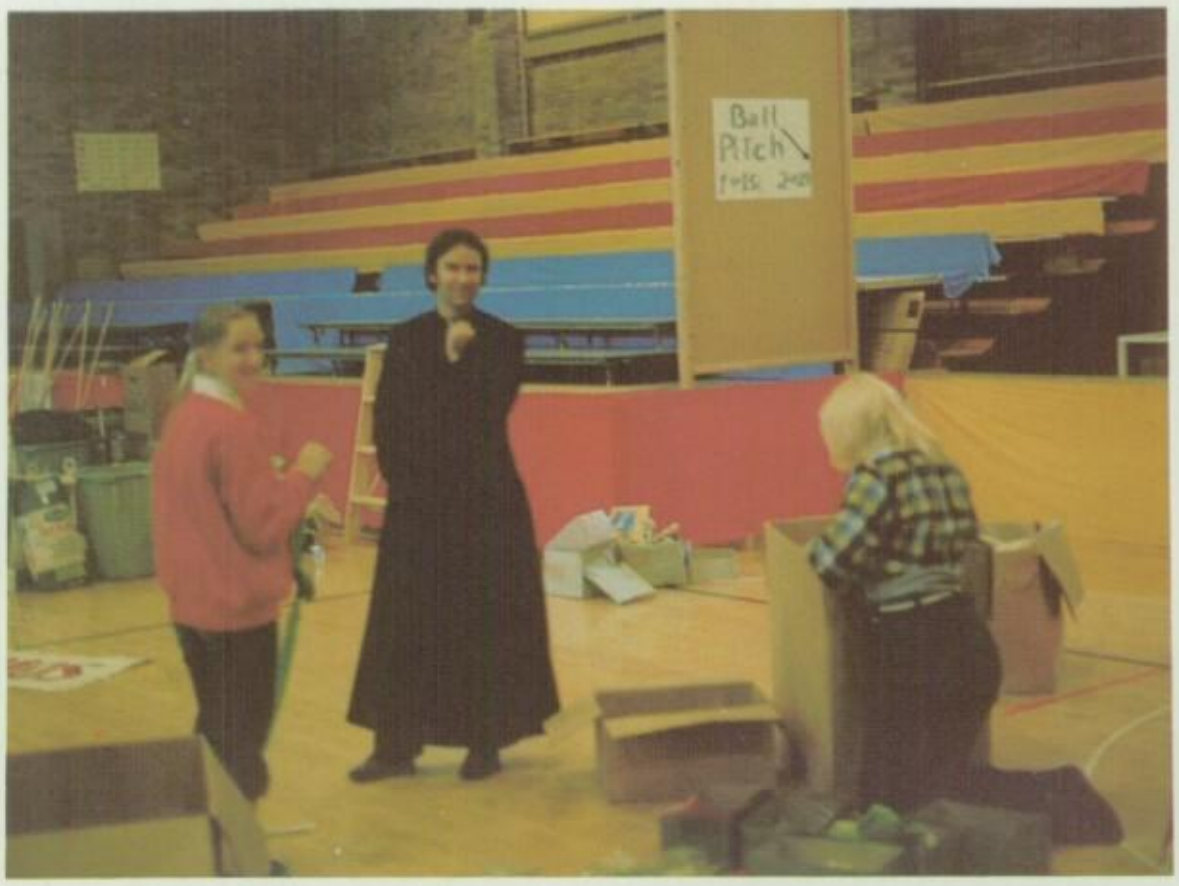
St. John's parish, both young and old, came to the rescue working together to prepare and support St. John's Festival.

Is Kim Nichols an A, B, or C prize?

Mr. Adams checks to see if he is a winner at Super Lucky 7.

The candle booth was run by the Sisters of Notre Dame.

Festival Preparation — the One Kind of Work Everyone Enjoys



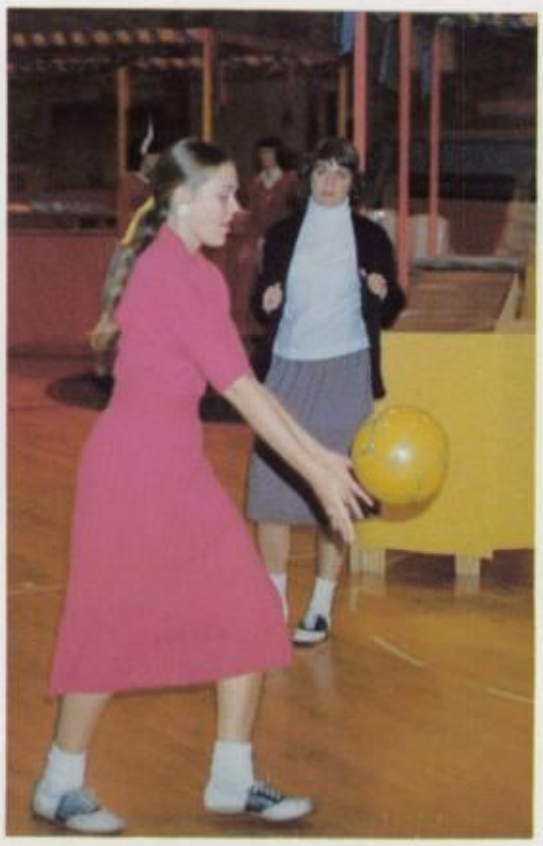
What are you looking for Joyce?

Careful Joe Clark, fingers and chicken don't mix.

Dale Carder does his part.

Do you get the feeling Mary Grothouse doesn't want her picture taken?

Sadie, you promised you'd never tell!



All work and no play would make Cathy Clark a dull girl.

Bill Klausing may be sweeping Ollie right out of a job.

Chad Weber and Denny Pohlman take turns at grinding apples.

Grease, Pony Tails, and Saddles

Slipping back to the exciting fifties -- the era of Elvis, the Big Bopper, the jitterbug, and just plain crazy, care-free living -- offers students a taste of nostalgia.

These kids are so wrapped up in this event that many are impossible to recognize through their greasy, new identities.

An Assemblage of Christmas Spirit

Hey girls, Santa doesn't come to those who fight.

The swinging trio wishes all the merriest of Christmases.

Beth receives a little comfort from her "sister", Cathy.

Santa Claus arrives on the scene loaded with goodies.

The devil made him do it.

Cathy Clark and Beth Kimmett can't believe their eyes, as the Christmas fairy appears.

Christmas Memories — The Good Times

Clara Luersman and Lisa Warniment seem camera shy.

The group Night Shade, is doing their thing for entertainment at the Christmas Dance.

Larry Burgei and Lisa Hedrick enjoy themselves along with the other couples.

Jeff Link and his date appear really involved in the mood of the music.

Although not pictured here, the Toys for Tots Campaign, managed by the Student Council, was a great success in that it brought unlimited joys to many underpriviledged children. The 1974 St. John's Christmas Assembly marked the beginning of a two week vacation for both students and teachers. Pictured on the opposite page are some scenes from the assembly, while on this page we bring to you memories of the Christmas Dance.

Mission Service Day Involves All

The students responded well to the Mass which was held behind school.

These senior guys are still full of energy for the trip back from Landeck.

Three tired walkers rest under a tree to revive themselves for the long walk back to Delphos.

Having completed 11 miles of their trip, these bikers rest at Fort Jennings Park.

Mission Day, May 8, was entitled S. O. S. --Students on Service. After opening with Mass outside, the students broke into groups to participate in the activities they chose. 158 high school students were involved in the 10 mile Walk-a-thon, while 159 rode in the 25 mile Bike-a-thon. The city was cleaned up by 64 hard working volunteers. 63 were involved in the clothing drive, while 9 students constructed Red Cross Disaster Kits. The remaining 95 students went out to observe the headstart centers, the area hospitals, clinics and drug centers.

It's a Small World . . .

The theme of the 1975 Prom was "It's a Small World." The theme was carried out by the decorations in the gym on the night of May 9. The Prom was a success due to the hard work the Juniors put forth in preparing the food, making decorations for the entrance and in setting up special effects in the gym. Because of all the cooperation this night will be one that never will be forgotten by the people who attended. The Seniors would like to thank the Juniors for making the 1975 Prom a memorable one.

The rock band, Windfield, set the mood for the 1975 Prom.

The Prom provided enjoyment for the chaperones as well as the Juniors and Seniors.

Tom Neumeier and Barb Fortener enjoy dancing to one of the many songs that were played during Prom night.

Guests fill their plates with delicacies from other countries.

Did you break your diet, Paula?

PERFECTO!!!!

Ruth Jettinghoff, Monica Bockey, and Nancy Niedecken, served punch at the smorgasboard.

It's a Night to Remember

All right you guys quit looking so darn innocent!

Dan appears to be deeply involved in his dancing.

Craig cuts in for another dance.

Faculty and students mingled for an enjoyable evening.

Randy and Donna Bohnlein glide gracefully across the dance floor.

St. John's faculty and guests strike up friendly conversation among one another as they rest between dances.

Schools Out for the Summer

These Sophomore guys are busy packing away books for the summer.

Dan Stemen, Mike Reindel, and Jeff Sheeter clean our their lockers.

All the rooms were cleaned on the last day before students were dismissed.

Resigning from the Junior class, these guys look forward to a fun-filled summer before they return to St. John's as Seniors.

Charlie German and his fellow classmates can't wait to be dismissed for the summer.

During the fall, piled down with loads of homework, we thought that summer would never come. But, before we knew it, the last busy day came and went. After cleaning the classrooms, we met in the gym for the annual Awards Assembly to recognize the activities that St. John's students had participated in throughout the year. It was a good year. And after a summer of relaxation we'll be looking forward to another year at St. John's.

Librarians End Over 35 Years of Volunteer Service

The students of St. John's High School suffered a great loss at the end of the 1975 school year. Miss Emme Metzner, a faithful volunteer librarian for many years, was called by death after an extended illness. Mrs. Mary Will and Mrs. Marie Myers, who graciously donated their time in the library since 1962, revealed that this would be their final year of service. Together, these three ladies accumulated more than 35 years of volunteer service to the students of St. John's High School.

Miss Emma Metzger (1975)

For all your time and work the students of St. John's would like to thank you. Your unselfish dedication serves as an example to all of us.

They had a basketball team again and it is a traveling team in which they play other FFA teams. Every year they hold a tractor pull and take a trip out west. Monthly meetings were held to get things organized.

Injuries Spoil Pre-Season Optimism

A good pre-season showing and the varsity's first opening victory since 1970 boosted Blue Jay optimism, but a rash of injuries and disappointments plagued the gridders for the rest of the season.

Countless injuries forced the coaching staff to move personnel from position to position. Strong WBL teams took advantage of the resulting inexperience, and the Jays were able to gain only one league win after their initial win at Clyde.

Senior Roch Wurst netted several post-season awards and a full scholarship to Toledo University. He was picked All-WBL first team offensive end and named as a candidate for High School All-American.

After receiving a pass, Roch Wurst dodges his aggressor.

A won loss record of five and thirteen doesn't sound very impressive but for coach Don Huysman, this was a year for building and development. The 1975 Varsity was a young team consisting of four seniors, five juniors, six sophomores and a freshman. A lack of depth in the pitching staff was a major downfall, although Chuck Schumaker and Roch Wurst proved to be consistent hurlers. Improvement was noticeable in the offense as they scored more runs this season than last.

The most valuable player and best defensive player awards went to Roch Wurst, While the player with the highest batting average was Larry Gerdeman. Playing in the Western Buckeye League All Star game were Brian Calvelage and Roch Wurst.

Another Bluejay hit.

The 1975 Reserve Baseball team finished the season with a three and four mark. Coach Ron Huysman devoted the year to experimentation and was pleased with the outcome. The young and, for the most part, inexperienced team provided stiff competition for their opponents. Their four losses were by a combined total of only seven runs.

That hit should help your batting average.

Jeff Grothouse releases the ball hoping for a strike.

In their second year of play, the Girls' Varsity Volleyball team racked up six wins to five losses while the Reserve team finished their season with five wins to six losses. In addition to their winning record, the Varsity team qualified for the semi-finals of the WBL tournament. The outlook for next year's team is very good although many Seniors will be leaving this year. Hoop Girls Finish Second Season

Girl's Basketball in it's second year at St. John's, has become a quite popular sport. Both reserve and varsity play a tough schedule, home and away. Fundamentals were drilled and team responsibility was stressed in practice. The girls soon developed the ability to work together. Coach Jan Stover felt much was accomplished this season and the outlook is very bright for next year.

The team is caught relaxing after a strenuous meet.

The Second girls' Track team of St. Johns' put forth many hours of hard work, yet the scores are not indicative of the effort or improvement of the team. It is very hard to keep going, to keep pushing yourself, to do your best and still be beat. Though the track team had a very trying season, nine of the fourteen records were broken. We placed third in a triangular meet with Van Wert and Crestview, second with Shawnee and Bluffton, and lost to Bath and St. Marys in separate meets. The team participated in the WBL tournament, placing two runners, and placing noone in the St. Marys invitational. In pre-District "A:, two relays qualified, but in District "A", neither relay qualified because of stiff competition.

These team members are preparing for the next event.

Shotput is another event in track.

SENIORS

What is this life if, full of care,
We have no time to stand and stare.

No time to stand beneath the boughs
And stare as long as sheep or cows.

No time to see, when woods we pass,
Where squirrels hide their nuts in grass.

No time to see, in broad daylight,
Streams full of stars, like stars at night.

No time to turn at Beauty's glance,
And watch her feet, how they can dance.

No time to wait till her mouth can
enrich that smile her eyes began.

A poor life this if, full of care
We have no time to stand and stare.

In Memory

James Edward Kramer

Life is valued on how you yourself spend it. We all suffer a loss sometime during life, but we gain it back by striving for future goals. We all shall live until we finally reach that goal in our life. All of us have passed a big stage in life, the years we all have spent so close, 71-75.

The Senior Class of 75's production of "Bye Bye Birdie" carried on St. John's tradition of bringing out the meaning of a musical play. Each member of the cast, whether in singing, dancing, or acting, worked both together and individually in learning to portray their characters to the best of their abilities. The members of the tech and props crew also did a fantastic job of working together in helping to build the sets, make up, lights, promotion, taking the sets on and off the stage and countless other tasks.

Of course, the highlights of the play, after months of preparation, were opening night and the three nights which followed. "Bye Bye Birdie" was performed before larger crowds each night for a total attendance of 2,383. The seniors certainly have a lot to be proud of, for their spirit of togetherness and determination throughout the run of the play is something never to be forgotten.

Kim MacAffee expresses how lovely it is to be a woman.

Seniors Choose Kings Island and Lake Loramie

Kings Island Grad Night, an all-night party for graduating seniors only was the popular choice for the Senior Class of 75's class trip. A group of 121 seniors departed Delphos at 6 p.m. May 16 on 4 school buses. After three long hours of rough riding, the group finally arrived at Kings Island for seven hours of glorious fun. The seniors were free to ride the many rides and were permitted to attend the concerts of "Pure Prairie League" and "Styx." At 4 am May 17, the weary seniors returned to the buses to head for home. They had a wonderful time and were ready to rest and recuperate on the way home.

Seniors anxiously await their departure to Kings Island for a night of fun.

The buses are loaded and ready to go!

Lake Loramie was again chosen for the Senior class picnic on May 22. Although several quick showers dampened the day, the sun shined through most of the time. Several softball games resulted, as well as much swimming, sun bathing and eating. Many students also undertook canoe rides. All in all, it was a fun-filled day for all to remember.

GRADUATING CLASS OF 1975

Graduation Day - May 25, 1975.

It seems only yesterday that we entered the doors of St. John's as Freshmen, roaming the halls, unsure of each step. We were exposed to new ideas, and each day gave us the opportunity to learn, to grow, and to mature.

Before we knew it we were Sophomores, more involved in the academic and social events. We really came out in strong support of our Blue Jays as we followed our basketball team all the way to the exciting State Finals in Columbus.

Junior year brought us closer together as we created the Homecoming "Stairway to Heaven" and the atmosphere of the Prom - "Moonlit Memories."

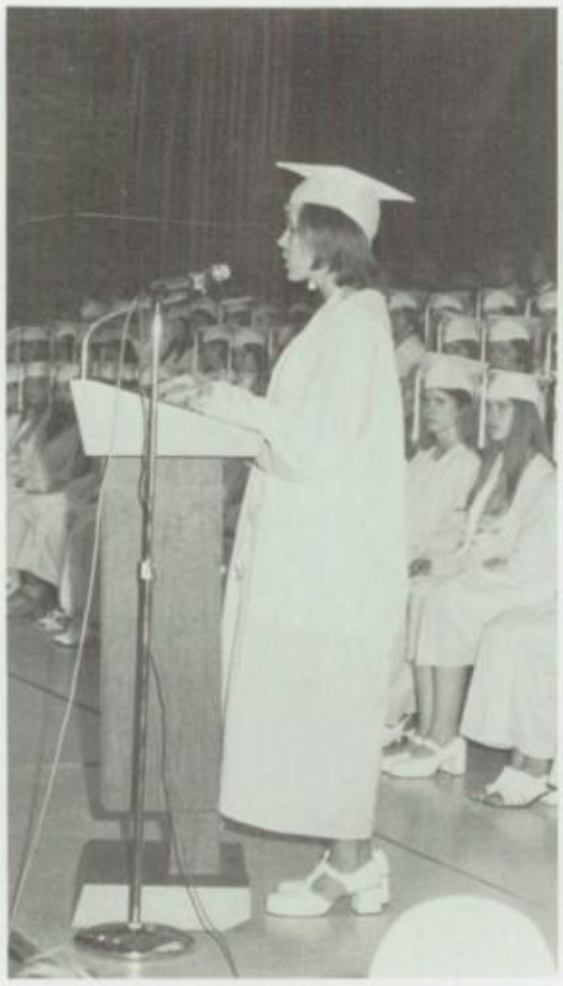
Then we emerged at the top as Seniors responsible for leading the school. We led the way in many sporting events, academic tests, and in many other extracurricular activities. Being seniors, we followed the tradition of decorating the gym for one last time, as we created the mood of the Christmas Dance. Our class play required hard work and much time, but it was also a lot of fun. The excitement of opening night increased on each additional night as we performed before even bigger and more enthusiastic crowds. Knowing that our end was near when we took our class trip to King's Island for "Grad Night," and our class picnic at Lake Loramie, we made the most of these outings. The Senior Awards Assembly gave us a chance to recognize our achievements.

We really came together as a class--we grew together and gained much from one another.

It seems so sad that we never realize the total value of what we have until we lose it. But then, we haven't really lost our years at St. John's. The knowledge that we have gained will aid our future judgements. The activities we have participated in will remain in our memories. And now we must try to live what we have learned from our experiences together.

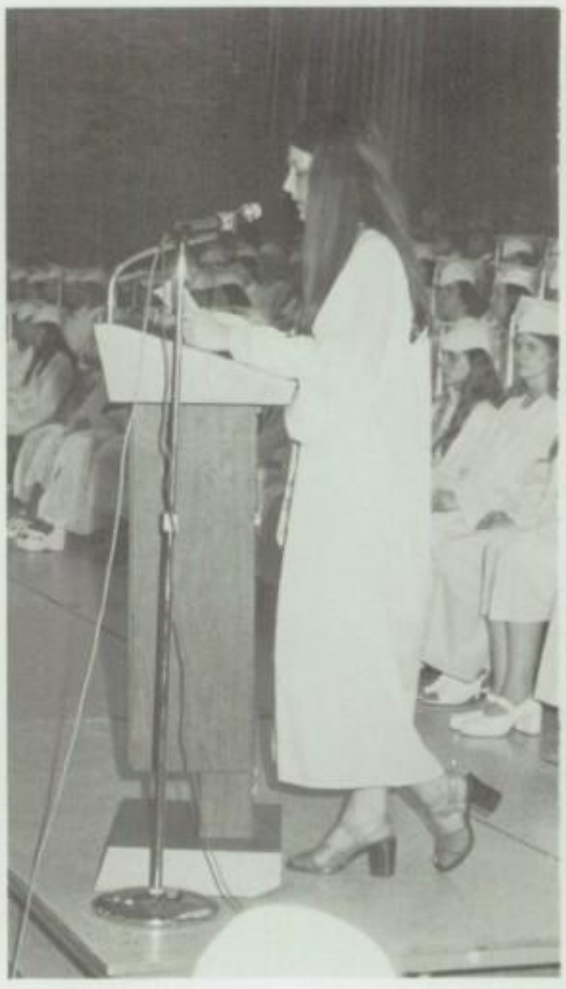
Because of all that those four important years have given us, there will always be a special place in our hearts for St. John's.

Seniors Look Forward to the Future



4.0 student Deb Plumpe delivers her speech about the future.

Aimee Hedrick, also a 4.0 student, wishes her classmates good luck.



Mary Clark says the graduates' education isn't ending, but beginning.

Ann Schmelzer speaks of the help given to them by their parents and teachers.

TAKE A GLIMPSE AT ST. JOHN'S . . .

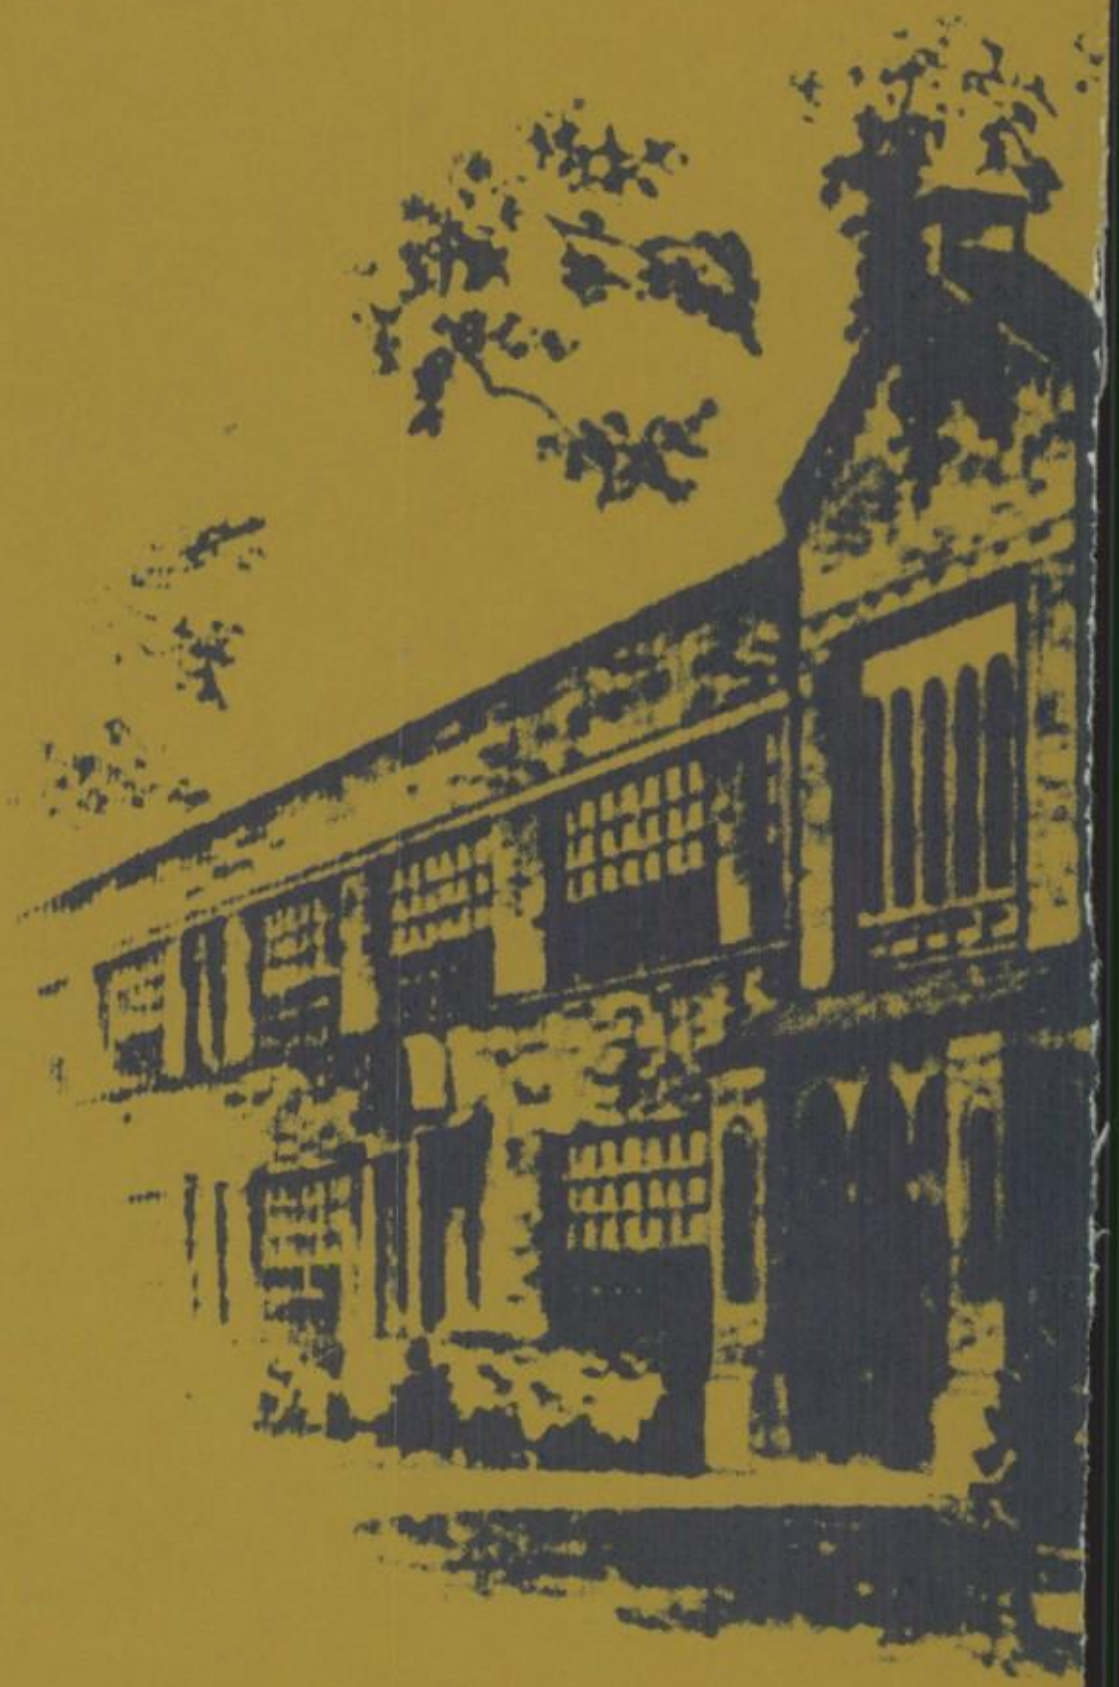
WE ARE ST. JOHN'S . . .

Well, this concludes another St. John's yearbook and it seems like it shouldn't end. When I look back I see hard work and fun; everything but the end. And there's so many people to thank.

We changed to American Publishing Company this year and even though we got started so late they're doing a great job for us. Sid Rodeheffer, our representative, took time getting us started and working with us all year. I really appreciate all the time you spent on us.

Some very important people I owe a lot to are all three studios in town because they all helped us in some way, large or small. The CREST would be nothing without pictures. Greg Scherger did a great job as our only student photographer, and I'd like to give him special thanks.

Mr. Adams and all the office staff, thanks for putting up with me and the staff, you were much help.

I guess the most thanks has to go to the staff and Mr. Bohnlein. This year's staff was great and I loved working with you, even through the hard times. Thanks for helping, I appreciated it. Mr. Bohnlein, thanks for putting up with me and the staff because I know there were times when anyone else would have quit.


I also want to thank anyone who helped in any way at all. Sorry I can't mention all your names but the help was appreciated. So when you take a glimpse back through this book, I only hope you remember the happy and exciting memories of the '74-'75 year at St. John's.
